

2022 TEXAS FARM BUREAU SUMMER AG INSTITUTE (SAI)

GET THE DETAILS!

Who: Certified, active Texas K-12 teachers and other ESC or district educators.

What: A four-day professional development opportunity that immerses teachers in multiple aspects of agriculture to increase agricultural literacy in the classroom.

SAI incorporates presentations by agricultural experts who specialize in education. The four-day institute also includes site visits to area farms, ranches, and agricultural businesses for a truly hands-on experience.

The 2022 agenda is still being finalized. However, examples of past site visits are below:

- Dairy farm
- Row crop farms
- Livestock nutrition center
- Hydroponics farm
- And many more!

Educators also will learn from AgriLife Extension specialists and so many others.

Educators will receive information about classroom resources and other giveaways!

Cost: \$375

Although not guaranteed at the time of registration, cost is often fully covered by the County Farm Bureau. Registrants will be contacted about their scholarship status after registration is complete. Cost includes lodging and most meals.

When & Where: June 13–16 in Waco, Texas

Registration and Deadline: Register by May 18 at texasfarmbureau.org/aitc. Applications will be reviewed and granted admission on a rolling basis until all 50 seats are filled. We will maintain a waiting list and contact those applicants if/when seats become available.
